## 3. Responsibility statement

This declaration of conformity serves as documentation of compliance with Regulation (EU) 2025/40 of the European Parliament and of the Council on packaging and packaging waste (PPWR).

CO-RO A/S is the sole responsible for declaring and ensuring that this packaging complies with the applicable PPWR regulations. Declaration is based on Annex VIII of PPWR. Declaration of conformity is updated when:

- the packaging changes, or
- new legal requirements/legislative acts come into force

This declaration is based on supplier documentation and information available at the date of issue.

|                           |                                            |
|---------------------------|--------------------------------------------|
